POLICE • COMMUNITY PARTNERSHIPS

On Tuesday, August 4th, 2009 Astoria, Long Island City and Jackson Heights neighborhoods within the 114th Precinct area are joining forces with thousands of other communities nationwide to celebrate National Night Out Against Crime. It's a time when residents are encouraged to lock their doors, turn on their outside lights and spend the evening outside with neighbors and police. This year marks the event's 26th Year.

National Night Out is designed to:

- Heighten crime and drug prevention awareness,
- Generate support for, and participation in, local anti-crime efforts,
- Strengthen neighborhood spirit and police-community partnerships,
- Send a message to criminals letting them know that neighborhoods are organized and fighting back!

This year's event is once again being co-sponsored by the 114th Precinct Community Council and the 114th Civilian Observation Patrol, Inc. We hope you enjoy all of the wonderful events and activities made available to all on this special night!

A Very Special Thanks to the Following for their contributions towards this event:

- Astoria Restaurant Supply
- G K Food Vending

Thank You to P.O. Mike Rossello and P.O. Richard Coccodrilli, 114th Precinct's Community Affairs Officers and members of the Salvation Army for volunteering to be the cooks for National Night Out!
